

Can I bring my privately-owned golf cart on to the show field?

Due to new insurance and liability issues privately owned golf carts will no longer be permitted on the show field. No exceptions.

I have limited mobility; how do I reserve a scooter for the show?

To assist you, we will have a multi passenger golf cart touring the field for those individuals with mobility issues. Additionally, individuals with a handicap permit will be allowed to bring personal mobility scooters and wheelchairs on to the show field. Anyone needing to rent a mobility scooter locally should contact-

Amelia Home Health Services-(904)261-2111

Action Disability Resources-(904)777-1979

Genesys Medical Equipment-(904)745-5121

Thank you!
