## *AMELIA ISLAND CONCOURS VIDEO BORN OF A BLUE SKY AVAILABLE ONLINE*

The 16-minute video *Born of a Blue Sky*, recounting the 18th Annual Amelia Island Concours d'Elegance, is available now on the web through a link at [www.ameliaconcours.org](http://www.ameliaconcours.org) or at [www.bornofabluesky.com](http://www.bornofabluesky.com).

"Born of a Blue Sky has the same sort of visual presence as an impressionist painting," said Bill Warner, Chairman and Founder of The Amelia Island Concours d'Elegance. "The video captures that special quality of light Amelia Island has on an early spring morning that makes classic and thoroughbred cars look spectacular."

Filmmaker Justin Lapriore has condensed the 18th Annual Amelia Island Concours into a fluid series of impressions of the entire week from a personal, ground level perspective. The seminars, driving events and the 50th anniversary celebrations of the Porsche 911, Ford's GT40, Lamborghini and the Corvette Stingray are shown as spectators see them on the Concours' field.

"The video doesn't simply focus only on the cars; it also shows the people of 'The Amelia' and their relationship with the cars and each other," said Warner. "That's what makes Born of a Blue Sky so special and compelling; I hope this is how everyone remembers the 2013 Amelia Concours."
