About Historic Sportscar Racing:

Historic Sportscar Racing was formed in the mid-'70s with an event at Road Atlanta. There was one goal then and it remains true today: to celebrate the race cars from our past. As a "time machine" of sights and sounds, HSR provides a venue for competitors and spectators alike to share in the wonderful history and excitement created by the cars that competed at race tracks around the world. For more information please go to www.hsrace.com

About The Classic Motorsports Mitty:

The Mitty was founded by a group of Atlanta-area racing aficionados in 1978 who wanted a place to compete with their cars. That gathering has grown into the largest classic car event on the East Coast.
